

Verifying your insurance coverage

Once you have verified your insurance coverage, our office will happily bill your insurance company for your treatment. However, you are responsible for the fees for your treatment. If the insurance company denies payment, you are responsible for paying the fees in full. If the insurance company pays only part of the fees, you are responsible for paying the balance.

Call the Customer Service number on your insurance card, ask for eligibility or subscriber services, and ask the representative the following questions:

What is my effective date of coverage? _____ Is this a calendar, fiscal, or plan year? _____

What are my benefits for Out of Network Chiropractic? Dr. Russ is not In-Network or a preferred provider with any insurance. (Not all of the following questions may be relevant to your particular insurance plan.)
